

Sock Bunny's

Things You Will Need:

- Unmatched socks
- Uncooked Rice (1 cup for each bunny)
- Rubber Bands
- Black Marker
- Ribbon
- Scissors

Instructions:

Step 1. Take the sock and put it over a tall glass so it is easier to pour the rice in

Step 2. Pour the rice into the sock (fill to just under the rim)

Step 3. Take your rubber band, tie the sock closed

Step 4. To separate the head and body, tie another rubber band a little above the middle

Step 5. Take another rubber band and make the bunny tail

Step 6. To make the ears, cut any excess sock so that there is a couple of inches for the ears (if you want floppy ears that flop down, then leave them a bit longer)

Step 7: Use the Sharpie to draw the bunny eyes and nose. To make the eyes, simply color in two dots with the marker. To make the nose, draw an “x” shape.

Step 8: Cut a long enough piece of ribbon and tie a bow around the bunny's neck

Enjoy!
