Junk Drawer Conversations

After the puzzles have been solved, add to the activity with these discussion questions related to the stories each of the Junk Drawers tells. They are a great way to spark a reminiscence discussion.

1. Have you had a vacation in which bad weather prevailed?
2. What are some things you did with your children when bad weather on a vacation kept you indoors?
3. What comprises the emergency supplies you always have on hand in case of losing electricity?
4. When in need of comfort, what things do you keep close at hand? Is tea one of them?
5. Have you ever had a "staycation"—one in which you stay home relaxing, with perhaps some day trips here and there? Does a staycation appeal to you?
