

## Junk Drawer Conversations

After the puzzles have been solved, add to the activity with these discussion questions related to the stories each of the Junk Drawers tells. They are a great way to spark a reminiscence discussion.

### First Car Detective

1. What do you remember about your first car? The make, the model, and year? Was it a stick shift or automatic? What color was it?
2. Of all the cars you have owned, do you have one you would consider your favorite? And why?
3. What are the things you have stored in the glove box of your car? Can you easily find things in there, or is everything in a jumble?
4. What are some of the stranger things you have kept or transported in your car?
5. Did you enjoy washing and waxing your car yourself, or did you prefer to take it somewhere to have it professionally done?
