

Fall 2021

Fundamentals of Hospice Palliative Care Core Program

This program is for anyone working in the health system who supports people living with a life-limiting illness with an interest in developing their capacity related to hospice palliative care.

Program Components:

- **Reading requirements:** Chapter 1-11 in the Program Guide
- **E-Learning Modules:** Eleven (11) E-Learning Modules to accompany the readings
- **Peer-to-Peer Exchange:** Two opportunities for learners to connect with each other
- **Reflective Activity:** Learners to complete 1 final activity
- **Case-Based Learning Sessions:** Three (3) facilitated live virtual in-class sessions (it is mandatory to attend all sessions for the option you are enrolled in)

To register please visit: www.acclaimhealth.ca/fundamentals or click on the course registration link below.
