

Grilled Cheese Surprise

You might think it is a grilled cheese sandwich, but you will be fooled when you take a bite.

You will need:

- 2 slices of pound cake (about a 1/2" thick)
- Orange icing (about 2 tablespoons)*
- Serrated knife and butter knife
- Toaster or toaster oven
- Cooling rack

Directions:

1. Toast the slices of pound cake until they are golden brown. Allow them to cool on a cooling rack for about 5 minutes.
2. Use a serrated knife to cut the pieces of cake in half diagonally. (Cutting before frosting creates fewer crumbs.)
3. Using a butter knife, carefully spread frosting between the slices of each half sandwich. Tip: If you mound the frosting on one slice, then top it with the other and gently press down until the frosting oozes out a bit (just like melted cheese).
4. Serve and enjoy the surprised smiles.

* You can make your own orange icing by mixing white icing with yellow and red food coloring. Blend 6 parts yellow to 2 parts red to make a nice cheesy orange color.
