

## Banana Split Brownies

### Ingredients:

- Brownie mix
- 6 large Strawberries, halved
- 1-2 Bananas, sliced into 12 pieces
- Milk chocolate bar
- Long toothpicks

### Directions

1. Bake brownies and let cool for about an hour. Cut them into small squares, about 1 inch each.
2. Place half a strawberry on a toothpick, then a slice of banana, then a brownie square.
3. For drizzle, melt milk chocolate bar in the microwave. Make sure not to burn.
4. Arrange your desserts on a platter so you can easily drizzle the chocolate over them.
5. Dip a fork in the melted chocolate and then fling the chocolate over the brownie kabobs. Do this repeatedly until you have a nice, thin covering over all the desserts.
